Dear Mr. Yakuba:

As a resident of San Jose and long-time Sierra Club member, I am dismayed to learn that you are considering the abandonment of "development triggers" to allow development of Coyote Valley. I believe this would be a short-sighted mistake. If anything, these triggers should be more stringent, not less. Nobody in San Jose wants our beautiful valley to become another sprawling Los Angeles. I will be watching this issue closely and will urge my friends and neighbors to do the same.

I would appreciate it if you would distribute this email to the entire taskforce.

Sincerely,
Cathy Wittig
San Jose
